Want to be a part of a spectacular Kids Fishing Event And get your business recognized?

"Klineline Kids Fishing" Program Sponsor,

On Friday, **April 10th** and Saturday, **April 11th**, 2015 The Annual "Klineline Kids Fishing" event will be held at Klineline Pond. Over 3,000 children, ages 5-14, along with their parents, are expected to attend and will have the opportunity to experience and learn about the sport of fishing. **Friday will be a "Special Needs Kids Fishing" day.**

Presented by Klineline Kids Fishing Nonprofit, Washington State Department of Fish and Wildlife (WDFW), and Clark Public Utilities; this program is aimed at getting more kids involved in fishing and building a base for the future stewards of this resource.

Fewer and fewer kids are taking part in the sport of fishing either because of environmental or economic factors. This is a disturbing trend. To create stewards for our future fisheries we need to introduce children to the beneficial aspects of fishing as an individual and family activity, and as a way to become more aware of our natural resources.

The "Klineline Kids Fishing" event accomplishes both of these goals. First, it gives the child an opportunity to experience the thrill of catching a fish. Second, educational sessions offered by WDFW, Clark Public Utilities, US Fish & Wildlife, Columbia Springs and others, will help the child learn more about fishing, the natural environment and playing outside.

We ask for your support of this worthwhile event at Klineline Pond in Salmon Creek Park. All donations of any amount are gladly accepted and appreciated. A donation of $250 or more will get your business name on the back of every child's T-shirt. You will also be encouraged to hang your banner and/or put up a tent at the event. Please let me know if you have any questions or need further information. Let's ***"Get More Kids Outside and Fishing More Often"***.

All donations should be made to **Klineline Kids Fishing Nonprofit**, EIN # 45-3764565.
