

NOTICE OF HEARING

COLUMBIA RIVER COMPACT/JOINT STATE HEARING

March 27, 2013

A Compact hearing is scheduled via teleconference for:

12:00 PM (noon) Monday April 1, 2013

Fishery under review: Mainstem commercial salmon.

Participants in this fishery are advised that a fishing period could potentially be adopted for as early as Monday evening if test results are conducive for a full fleet tanglenet fishery.
