April 3, 2006

### NOTICE OF JOINT STATE HEARING

A Joint State hearing has been scheduled for Thursday April 6, 2006 at 2:00 p.m. via teleconference.

Discussion will include salmon stock status and review of the on-going recreational fishery in the Columbia River below Bonneville Dam.

This hearing is a result of the "2006 Spring Chinook Sport Fishing Plan" which was adopted at the Compact hearing on January 26th 2006. This plan calls for weekly fishery updates during April in order to monitor progress towards the adopted upriver spring Chinook impact guideline and to modify the ongoing fishery if needed.

A weekly status report will be distributed and posted on each state's website.
