Columbia River Compact Joint State Action Notices Washington Dept. of Fish and Wildlife

September 15, 2004

A Joint-State hearing took place today to review salmon stock status and the ongoing recreational fisheries.

No action was taken today.

However, the states of Washington and Oregon will meet again Monday September 20th at 2PM to review salmon run-sizes and the recreational fishery and to consider management action.

Based on the current run size update and fishery catch rates, the recreational fishery below Bonneville Dam can remain open through at least Thursday, September 23, 2004.
