CATCH AREA (CIRCLE) 1 2 3

SPECIES (CIRCLE) CHINOOK COHO

ADIPOSE CLIP (CIRCLE)
CLIPPED NOT CLIPPED

COMMENTS _____

Fill out Head Tag information.

Double check that your Head Tag# is recorded on the sampling sheet.

Remove snout no less than one inch behind the eyes (see dotted line) - include lower jaw. Pierce a slit opening inside of lower jaw between jaw bone and tongue. Insert one string through opening to tie head tag label to lower jaw.

Insert fish head with head label into plastic bag.

Place bag inside freezer.
