

Master Hunter Elk Permit Hunt Description
Regions 5 and 6

New this year (2011), special elk permits for Master Hunters will be available on a region-wide basis. These permits will allow local WDFW agents to target specific needs on a case-by-case basis.

Eligible applicants: Current Master Hunters with a Western Muzzleloader (“WM”) elk license.

Season: the proposed season is August 1, 2011 through March 31, 2012.

Legal hunting areas: designated areas within Regions 5 and 6, as determined by local WDFW agents.

Legal animal: Antlerless elk

Legal hunting implement(s): Muzzleloader.

Hunt Coordinator hunt: These are damage hunts administered by a WDFW designated Hunt Coordinator. **Successful applicants may or may not be contacted to hunt**, depending on elk damage activity for that year.
