	Snake River	2,300	734	700

† All forecasts are rounded to the nearest 100s place.

* Upriver totals are developed by TAC for use in management of *U.S. v. OR* fisheries. Wild components are included in the stock total. Area-specific estimates for upriver tributaries detailed here are provided by other agencies/entities and may not sum to TAC's upriver abundance estimates.

** 2020 return is based on current TAC run reconstruction methodology.

*** Return to tributary mouth.
