Date: Wednesday, February 9, 2022 2:37:08 PM

Good afternoon Gwen,

Thank you for your review of the Little Green Lake Dam Safety Repair SEPA checklist and for your assistance in our spillway design. Per your comment on our SEPA checklist, WDFW's application for the Dam Safety construction permit was submitted via mail to the Department of Ecology's Dam Safety Program on February 1, 2022 along with the processing fee. If you have any additional questions or concerns, please feel free to reach out to the project manager Kelly Smith at Kelly.smith@dfw.wa.gov or 360-789-2759.

Thanks and I hope you have a great day,
