Meeting began at 9:30 with time allowed for people to get set up and connected. Committee members introduced themselves and reviewed the meeting agenda. Updates were provided on the SEPA process and public comments to-date, the SBEIS, progress of the WSAS science panel, the public participation plan going forward and communications strategy.

The committee discussed a summary of straw proposals and evaluations they submitted prior to this meeting.

After lunch, the committee interacted directly with the Intergovernmental Coordination group, specifically directing questions about the licensing program to WDFW Law Enforcement and Canadian partners.

At 3:00, Ross Strategic facilitated public comment on the SEPA EIS process*. Meeting adjourned at 5:00.

* Notes were taken during public comment, but for SEPA scoping comment to be preserved in full, please submit it at: <https://www.surveymonkey.com/r/F3MT63M> through June 8, 2020.
